**FAKULTAS ILMU BUDAYA (FIB)
UNIVERSITAS JEMBER**

Backbone Backup Wifi id
Single Mode

Backbone UPT Bahasa
Multi Mode

The diagram illustrates the network architecture of the Faculty of Cultural Studies (FIB) at Jember University. It shows the central switch (SW. Manage Gd. Literasi) and its connections to various departments and buildings, including Gd. Literasi, Gd. Sejarah, and various labs and rooms. The network is divided into several segments, each with its own set of devices and connections. The legend indicates that the Backbone Backup Wifi id is in Single Mode and the Backbone UPT Bahasa is in Multi Mode.

Legend:

- Backbone Backup Wifi id Single Mode
- Backbone UPT Bahasa Multi Mode

Network Segments:

- Main Campus:** Connected to Backbone UPTTIK and Backbone UPT Bahasa. The central switch (SW. Manage Gd. Literasi) is connected to various hubs and rooms.
- Gd. Literasi:** Connected to various hubs like Hub. Cisco Hotspot, Hub. Lorong Tengah, Hub. Akademik, and Hub. Dekanat Lt 2 Bagian Umum.
- Gd. Sejarah:** Connected to SW. Manage Gd. Sejarah, which then connects to various labs and rooms like Lab. Jurusan Sejarah, Switch Unmanage Dewantara Lt. 2, and various R.K. rooms.
- Other Buildings:** Connected to various hubs like Hub. LAN Home Teater, Hub. LAN Ruang Dekan, Hub. LAN Lorong CCTV D-Link 16, and Hub. UKM D-Link 8.
